

# 500 V-Series™

## 500 SERIES 3-IN-1 COMBINATION SUPER-LED® LIGHTHEADS

*When 500 Series has already proven it is the perfect size for applications all over your vehicle. Now with the added features of the V-Series lighthead, you can take advantage of three planes of light in this one small light fixture! Class I warning, flood/alley and ground illumination lighting ... all in a surface mount lighthead ... all with HDO™ High Definition Optics, provide remarkable light intensity wherever it is needed.*

Ideal for intersection lighting whether mounted on the push bumper or grille. Pack a punch with attention-demanding performance that can be installed at a lower level on any vehicle.

### FEATURES

- Three-in-one combination light for warning, flood/alley and ground illumination in one remarkably compact surface mount lighthead.
- 180° wide-angle warning light for Class I SAE 845 requirements.
- Color LEDs with clear outer lens.
- Hard-coated lenses with HDO technology for unmatched high intensity warning.
- Scan-Lock™ flash patterns plus steady-burn and synchronize feature for the warning segment of this lighthead.
- Warning available in Red, Amber, Blue and White.
- Steady-burn White for alley/flood lighting plus White ground illumination.
- Requires optional mounting kit, purchased separately.
- Five year HDP® Heavy-Duty Professional warranty.
